phone:

1. Describe the proposed change to the exterior of your house or yard. Include a description of the materials you will use.

2. Attach a drawing of the proposed changes, which meets the following criteria.

- The drawing must show your lot and house to scale.
- Indicate all measurement distances in feet.
- Pictures or sales brochures of the product you intend to install, if available.
- Professional drawings provided by contractor, if you are contracting the project.

3. (Fences or kennels only) Inform your adjoining neighbors of your proposed change; corner lot owners must notify your neighbors across the street too. Neighbors must sign your application to indicate their notification. **Neighbors do not have approval or denial rights for your application.**
